

The Indiana Latino Business Expo is a successful annual event that provides Latino business owners an opportunity to network amongst each other, with other American businesses and gain some exposure for what they do. If you would like to have an exhibit table or be an event sponsor, please fill out this form and return it to an ILBE representative. Once your application has been processed, we will contact you. For questions, please contact Center for Healing & Hope Development Director Yolo López Pérez at yperez@chhclinics.org. You can download our sponsorship levels from our website www.CHHclinics.org. (All sponsorships include an exhibit table).
