FORE! A Cause: Nuway Construction's 4th Annual Charity Golf Outing

Despite intermittent rain, the spirit of generosity shined brightly at Nuway Construction's 4th annual Charity Golf Outing on June 4th at Maplecrest Country Club. The event brought together local businesses, community members, and golf enthusiasts to support the mission of Center for Healing & Hope.

Thanks to the unwavering support of sponsors and participants, the outing raised an incredible \$31,566 for CHH's vital work.

"It means so much to be chosen as the beneficiary of this event," said CHH Executive Director Missy Schrock. "This level of support not only speaks volumes about Nuway's generosity, it also validates our mission and strengthens our ability to serve the community. We can't thank Nuway enough."

Golfers embraced the day with enthusiasm, undeterred by the weather. A standout moment was CHH's "Longest Marshmallow Drive," which added a playful twist to the competition and sparked laughter among participants.

"It turns out balancing a jumbo marshmallow on a tee is hard enough, let alone getting it to travel a substantial distance," said one golfer with a grin.

In the end, Wesley Gorsuch smooshed a puff of fluff just over 144 feet to take home top honors and an electric s'mores maker.

"Reflecting on this year's charity golf outing, I'm reminded of the power of coming together to make a lasting impact on the community," said Nuway VP Jan Oostland. "Fostering meaningful relationships and giving back through this event is a tradition we hold close at Nuway Construction, as it allows us to highlight small nonprofits that truly make a difference locally. We are so thankful for our customers, subcontractors, and Center for Healing & Hope supporters that contributed to the success of this outing.

"Partnering with CHH and witnessing their dedication and commitment made all the difference in the outcome of the event," continued Oostland. "Doubling last year's fundraising total is an incredible achievement for all and shows what we can accomplish together."

Center for Healing & Hope thanks Nuway Construction for their amazing partnership and support. To learn more about Nuway Construction visit <https://www.nuwayconstruction.com/>.
